Final Blackout

L. Ron Hubbard

Final Blackout L. Ron Hubbard

The world is in the throes of economic decay and at the mercy of terrorists. Across this post-apocalyptic landscape marches one extraordinary soldier and his band of brothers. In a novel as disturbingly plausible as it is powerfully gripping, they are headed into a battle in which they will have to come to grips with the power of technology and the true price of freedom. *"Compelling . . . riveting . . . Hubbard's best."*

—Publishers Weekly
